

**Remarks**

In the final Office Action the Examiner indicated that dependent claim 4 would be allowable is rewritten in independent form. The two independent claims 1 and 21 have been amended accordingly to include all of the limitations of claim 4. All of the remaining claims depend from claims 1 or 21. Therefore, Applicants believe that entry of this amendment will place the case in condition for allowance.

The information disclosure statement filed by Applicants on 1-8-04 included a typographical error. As the Examiner correctly noted, the Applicants intended to cite US 2003/0017370, but erroneously listed "2003/00177370." The Examiner has cited and considered the intended reference on form PTO-892; therefore, the error has been cured.

The Applicants respectfully request that this amendment be entered, the rejections be withdrawn and the case be allowed.

Respectfully Submitted,
